

## ABOUT US

Ilsang is a modern, casual and simple-style cafe in Seoul, specifically located in Hongdae, from South Korea. We serve fresh baked desserts, and tasty coffee and other drinks. The cafe name 'Ilsang' means daily and everyday life. Just like the name of our cafe, we would like everyone to enjoy and feel free to visit our cafe everyday.

Ilsang cafe is very popular among young adults because of its dark themed and chic aesthetic, and also of course their delicious desserts and drinks.
